Under the guidance of four seniors — Joanne Keeler, President; Rich Pietroski, Vice-President; Ann Randall, Secretary; and Karen Lenn, Treasurer — this year's Student Council got off to a flying start with the Homecoming Festivities. With Ann Randall taking charge of the committee, Homecoming '74 became a super success. Following this, the council worked on getting a new stereo sound system for the school and then went on to other activities. Next came the annual Christmas dance headed by Daniel Hyslop and Sandy Miller. With snow on the ground, a song in the heart and music by Freeman James, everyone left in the yuletide spirit. After semester break, work was begun on a Spring Carnival to break the monotony after basketball. In addition to other activities such as assemblies, the council also sponsored the annual Viking Week. A few of the pictures of Viking Week '73 are featured on this page. All in all, Student Council once again had a very productive year!

Third Row: Mr. Patterson. Second Row: Ann Randall, Rich Pietroski. First Row: Joanne Keeler, Karen Lenn.

Great effort was shown by the Senior class in their final float "We'll Run the Reds Ragged!" which proudly held second place.

The Juniors' float, "Buzz off, Reds!" flew by the seniors for the first-place prize in the homecoming float building competition.

"The Victory is H'ours'!" earned third place after many days of hard work by the Sophomore class.

"Vikings, Get the Reds Out!" was the theme for this year's Freshman float, which was a colorful addition to this year's homecoming festivities.

Homecoming 1973-74

The Freshman Class was proud to have Julie Williams as their representative in this year's homecoming activities. Freshman Joe Bixler was Julie's escort.

Angela Koppleberger was the lucky girl chosen to represent the Sophomore Class in the homecoming festivities. Escorting Angela was Junior Ken Sygit.

The Junior Class made an excellent choice in Casie Boerre for their 1973-74 homecoming representative. Fellow classmate, Tom Malone, was Casie's escort.

A Viking march through the streets of Marysville, followed by a bonfire, sparked off the Homecoming Festivities of 1973. A snake dance led the team and students of M.H.S. to free refreshments donated by the Student Council.

Once underway, the Homecoming Parade proved to be a success. The parade took a new route this year, which included all of the elementary schools.

During halftime ceremonies, tension filled the stadium, as everyone waited for the 1973 Homecoming Queen, Karen Erno, to be announced.

After the exciting 14-12 victory win over Chippewa Valley, everyone was in high spirits for the dance which followed. The band, Innermist, helped to make the dance theme, "Memories are Made of This," come true for all who attended.

Memories Are Made Of This

Senior Gail Patton gave a glowing air to the homecoming festivities as she stood next to her escort Fred Romain.

Reigning over this year's Homecoming was Queen Karen Erno, escorted by Senior John Tomalo.

Terri Rutkauske lent her charm and personality to M.H.S. Homecoming as a representative of the class of '74. She was escorted by Senior John Jeffries.

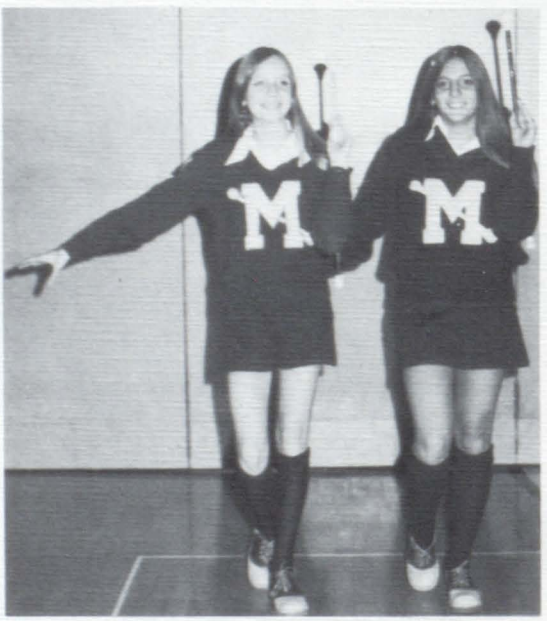

Smiling Queen Karen Erno (center) looks to the future with her court Casie Boerre, (back row) Angela Koppleberger, Julie Williams, Terri Rutkauske (front left), and Gail Patton (front right).

MAJORETTES, MARCH ON!

The 1973 MHS Marching Band had senior Valarie Aldridge as their Drum Majorette. Valarie did a great job up front, blowing the whistle and leading the band for all football games and parades. Valarie has been a majorette for four years.

Leading the front row of majorettes this year are seniors Mary Sawdon, Sue Ortmann, Becky Lambert and Karen Lenn. Mary has had four years of majorette experience, Sue and Becky, three, and Karen two.

Two of the second-year majorettes returning next year as the veterans of the girls are sophomores Karen Nicholas and Pam Robbins. These girls will have the responsibility of teaching the routines.

This year four new majorettes were picked. Doing a fine job and returning next year are Pam Barbe, Debbie Farrer, Debbie Oliver, and Wendy Wright.

Serving as first alternate for the majorettes this year was senior Michele D'Arcy. Michele really helped out this year learning the routines in a few days and performing like a pro.

The 1973-74 Marching band is directed by Mr. Salvo. When it came time for the Homecoming parade, the band was ready to head the parade. The band played for the March-of-Dimes to welcome the people after their long sixteen-mile walk. Playing during all the home football games, the MHS Marching Band brightened the half-times with a variety of presentations. They were again participants of the U. of M. Band Day and the Memorial Day parade.

Marysville High had several students participating in many of the Area Vocational Classes, ranging from Auto Mechanics to Cosmetology. The field calling the majority of Marysville students was Vocational Drafting, held in the morning. Other morning classes were Beginning Electronics, Machine Trades, and Advanced Carpentry.

Afternoon Vocational Education consisted of areas such as Auto Mechanics, Building and Grounds, Nurse's Aid, Cosmetology, Beginning Carpentry, and Electronics.

The Vocational Program is constantly expanding and looking for new trades to teach the youth of today.

A TIME TO. . .

This year Marysville High School students were offered four courses that could give them a learning experience without the requirement of books and hours of study. Three of the courses took place off campus while the fourth course was offered inside the high school classroom.

The Right-to-Read program was developed to aid the elementary pupil who had difficulty with reading. Thirteen students worked on the program.

The Haptic program involved seven students working with perceptually handicapped children. The students worked with the children to develop their motor skills. The program took place at Gardens School.

The third program, Woodland Aides, participated at the Intermediate School District. Eleven students worked throughout the day with special education students.

Teachers' Aides was offered in the high school. Twenty-eight students worked with the teachers throughout the class period. Some of the classes that the students helped out in were Drama, Speech I, Math I and II, Boys' Home Economics, Ancient History, Girls' Home Economics, Theory of Football, Metal Shop, and Biology.

SLIPPING AND SLIDING WITH SKI CLUB

SKI CLUB OFFICERS: Denise Partridge, Vice-President; Sherri Coggins, Treasurer; Cindy Klann, Secretary; Daniel Hyslop, President.

Our "Snow-Whites" — Miss Fedraw and Miss Arno.

This year's Ski Club, under the leadership of Daniel Hyslop, President; Denise Partridge, Vice-President; Cindy Klann, Secretary; and Sherri Coggins, Treasurer; got off to a sliding start with various trips to Black Forest. Also included on this year's agenda was a trip to Mt. Grampian, Pine Knob, and the major event — a three-day ski trip to Boyne Highlands where about 20 members went skiing, swimming, and merry-making! Money-making activities this year consisted of selling various articles at Christmas time, including animal candles, mini-maxi pens, Christmas candles, rose bowls, and Pixie wind chimes. With the aid of advisors, Miss Fedraw and Miss Arno, it was "uphill" all the way!

LOOK OUT FRANCE! HERE WE COME!

Eleven members of the French Club traveled to France this year.

During the year they collected newspapers and magazines, sold caramel apples and hot dogs at football games, sponsored a spaghetti dinner and a sock hop, which turned out a great crowd. All school year Miss Fedraw and Miss Arno picked up newspapers for the paper drives. The entire club worked hard at saving money for their vacation.

To be a member of the French Club, a student must take a French course.

January 25, the Class of '75 presented its Junior Prom, "Shangri-La." The dance started out at 9:00 p.m. The evening was enjoyed by old and young alike. The leadership and help of Miss Butler and Mrs. Rix made the prom a successful production.

Tim Malone, Julianne Evans, Becky Stark and Roy Langolf were ushers and servers for the evening.

The band "Stonewall" presented a variety of music in fast, slow, and even a polka.

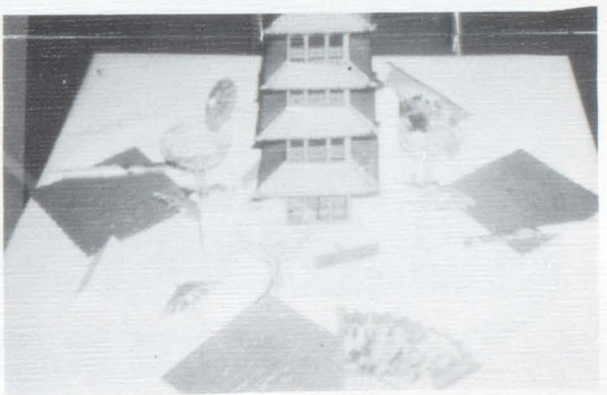

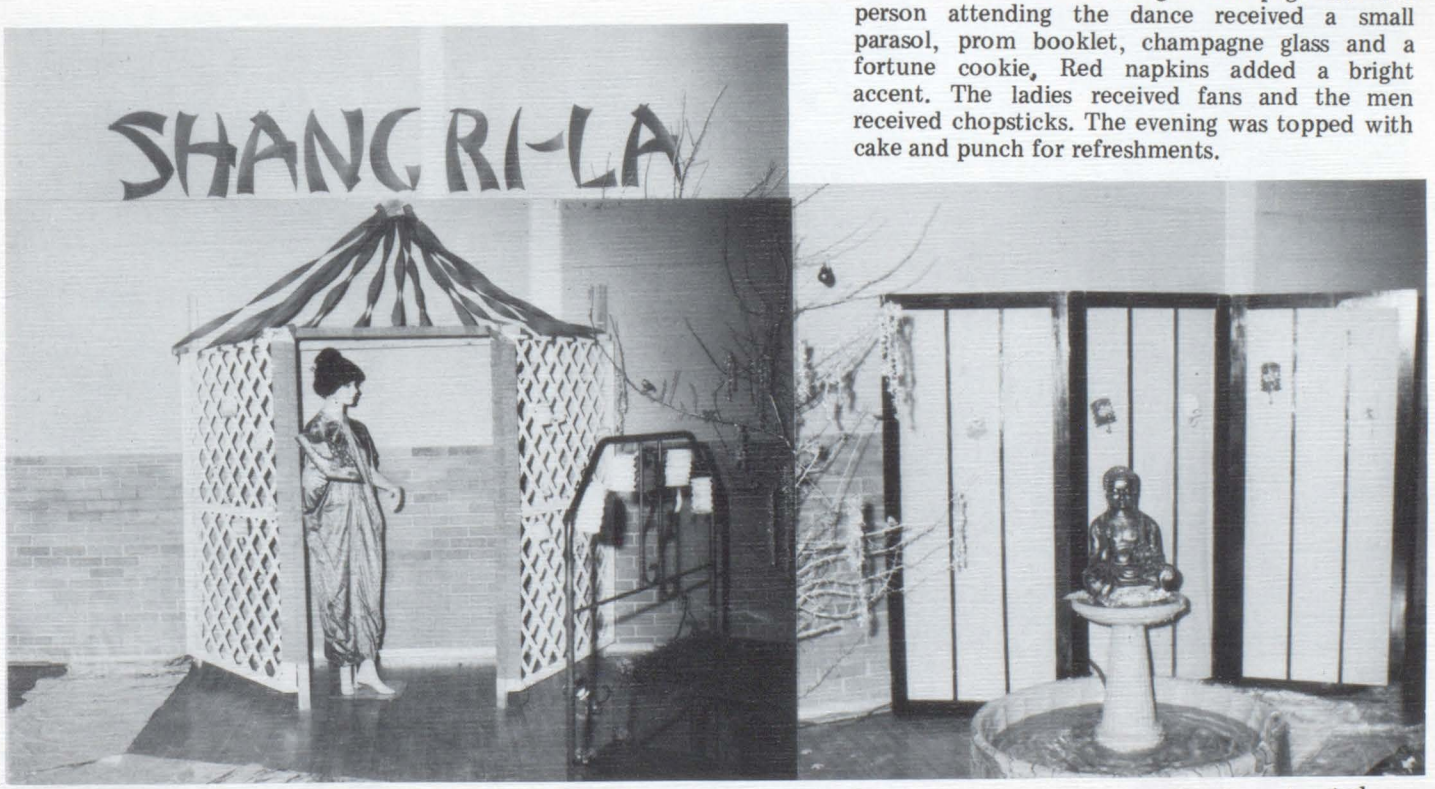

Table decorations were dragons and pagodas. Each person attending the dance received a small parasol, prom booklet, champagne glass and a fortune cookie. Red napkins added a bright accent. The ladies received fans and the men received chopsticks. The evening was topped with cake and punch for refreshments.

Decorations were assembled Friday afternoon. A pagoda, bridge and Buddha fountain were created and constructed.

GLORY, EXCITEMENT and KNOWLEDGE

Richard Pietroski, a senior, was chosen for last summer's Youth for Understanding Program.

Besides being an exchange student, Rich is also active in school activities. He has participated in Football, Basketball, Baseball, and Track and has a Varsity Letter in all of these. He is also President of the Varsity Club and Vice-President of the Student Council. Rich also helped on the Junior Prom.

For two and one-half months, Rich was the guest of Mr. and Mrs. Ewald Jacobsen. They live in Glamsburg, Denmark. His parents are both school teachers.

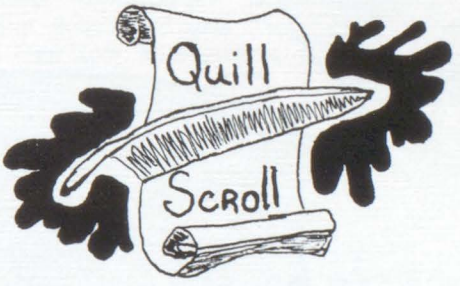

His brother Flemming is much like Rich. They have many interests in common, and did a lot of things together.

Besides seeing Denmark, Rich also had the pleasure of seeing Sweden and Germany.

Rich expressed his gratitude and appreciation with "It was fantastic, great! Everyone should go."

I wish I could remember how to spell that word.

BOEC is a club in which anyone enrolled in a business class, (grades 9-12), is eligible for membership. At the beginning of the year BOEC held a Spaghetti Dinner for the initiation of all new members and the installation of the officers. The group also sponsored bake sales and spelling and typing contests. First prize for spelling went to Mike Willemsen; for typing, Kathy Vanlerberghe.

Members of BOEC moved on to regionals at Flint, Michigan, where Deborah Worley and Cornelia Bishop earned second and third place trophies respectively for Job Application. Shelley Ward took second place for Stenography, and Michelle Liddle received third for Electric Typing.

Shelley Ward was awarded the honor of Miss BOEC for 1973-74.

The winners of BOEC Contest: Kathy Vanlerberghe, Typing and Mike Willemsen, Spelling.

Viking "fish" held their third annual Swim-A-Thon, setting the goal at $1,000. This goal was achieved plus more. Total amount taken in was $1,100. The profits of the Swim-A-Thon went toward the purchase of a scoreboard time clock. The Swim-A-Thon was sponsored by students and other patrons of swimming.

During the Sterling Heights meet, one member of the team, Jim Philp, broke the record for the 50-yard freestyle. In doing so, he qualified for state finals.

Swim Timettes also had a busy year. They prepared breakfast for the team on all home meet days. Timettes also decorated the bus for the last swim meet.

The Marysville wrestlers had a lot to contend with this season:

1. Lack of participation
2. Lack of spectator participation
3. A shortage of heavy wrestlers in the upper weight classes.

In spite of all the negative factors they had to contend with, fine performances were turned in consistently by those who wrestled.

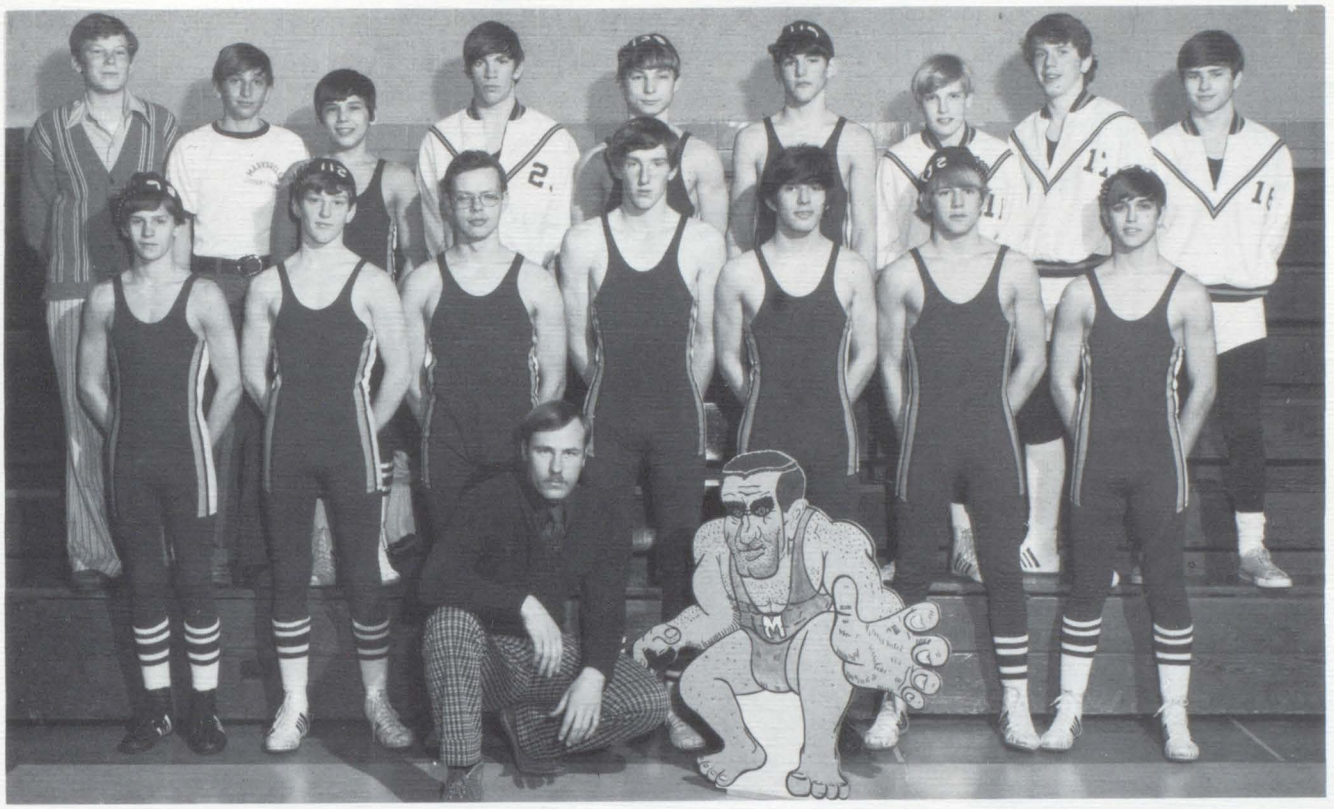

As the coach, I am very proud of those young men who grew up enough in the short period of time that we were together to realize that you only get out of something what you put into it. The men who comprised the wrestling team this year put a tremendous amount of time and hard work into a program, and I am sure as a result of this involvement they have all become bigger and better men, as well as a tribute to our school and community.

To start the year off right, Pep Club members led the way in an exhilarating eight-mile Spirit Walk to St. Clair. At the conclusion of the walk there were lots of sore muscles and blistered feet. Nevertheless, the group seemed to boil over with enthusiasm as they cheered our team to a victory.

Painting spirit signs and decorating the stadium and gym also occupied Pep Club members during their after school hours.

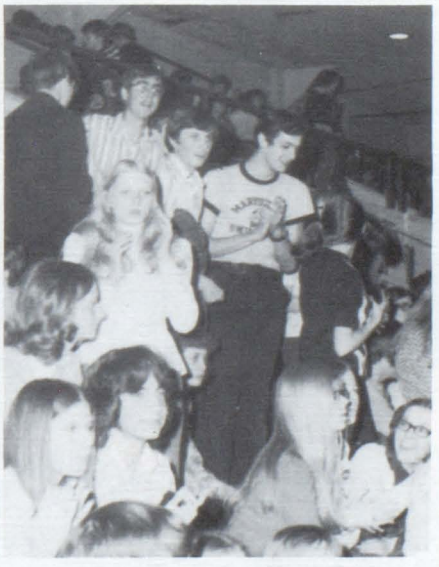

Pep Club set up a new merit system this year. Members receive points for each sports activity they attend. Those who have earned at least eighty percent of points possible will receive an award at the end of the year.

The Time of Our Lives . . .

CLASS MOTTO

How far back can memory reach?
How much longer will it last?
Memories of formulas
Memory of friends
People and places
The time of our lives ...
These were the days of the future we shared
How long will it last ...
Now that they're passed.

CLASS SONG
"Time in a Bottle" by Jim Croce

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you.

But there never seems to be enough time
To do the things you want to do
Once you find them.
I've looked around enough to know
That you're the one I want to go
Through time with.

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory
Of how they were answered by you.

A TIME FOR . . GUIDANCE

MRS. SHIRLEY MC CALL
CHIEF ADVISOR

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;
Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black,
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

You tell on yourself by the friends you seek,
By the very manner in which you speak,
By the way you employ your leisure time,
By the use you make of your dollar and dime.

You tell what you are by the things you wear,
By the spirit in which you your burdens bear,
By the kinds of things in which you laugh,
By the records you play on your phonograph.

You tell what you are by the way you walk,
By the things of which you delight to talk,
By the manner in which you bear defeat,
By so simple a thing as how you eat.

By the books you choose from a well-filled shelf —
In these ways, and more, you tell on yourself.
So really there's not a gain of sense,
In trying to keep up a false pretense.

Juniors Are Second to No One

Our junior class officers this year were better than best! They handled all the worries and responsibilities of their jobs calmly and competently. One of the major responsibilities came during football season. The junior class was allotted the concession stand to make some money for the class treasury. The whole homecoming affair had to be supervised, the junior prom organized, and they did not let us down.

Theresa Gardner, Secretary; Joe Schulte, Vice-President; Cindy Klann, Treasurer. In front: Tom Malone, President.

Our junior class steering committee this year knew no bounds! During homecoming season, the materials for the float, a wagon, and a garage to build it in had to be found. They were. All their efforts, coupled together with those of the students, proved successful. The big, striped bumble-bee brought in a well-deserved first place. Perhaps the secret of their success was that they wanted to get involved in as many activities as possible. They did.

Sophomore Leaders Have Strong Current

Michelle Warner, Secretary; Dan Lents, Vice-President; Janice Wilson, Treasurer.

With the help of advisors, officers and Steering Committee, the class of '76 had an enthusiastic year.

Skip Murphy's house was the scene where a giant Mickey Mouse Clock was formed for the homecoming activities, with Gary Hill presiding over the events. "Mickey" placed third, giving the class a ten-dollar gain. Lovely Angela Koppelberger represented her class with pride as she participated in the evening festivities with her escort Ken Sygit.

Sophomores were given a choice of many ring styles when orders were placed in September. Everyone was delighted with the results as the rings came before Christmas.

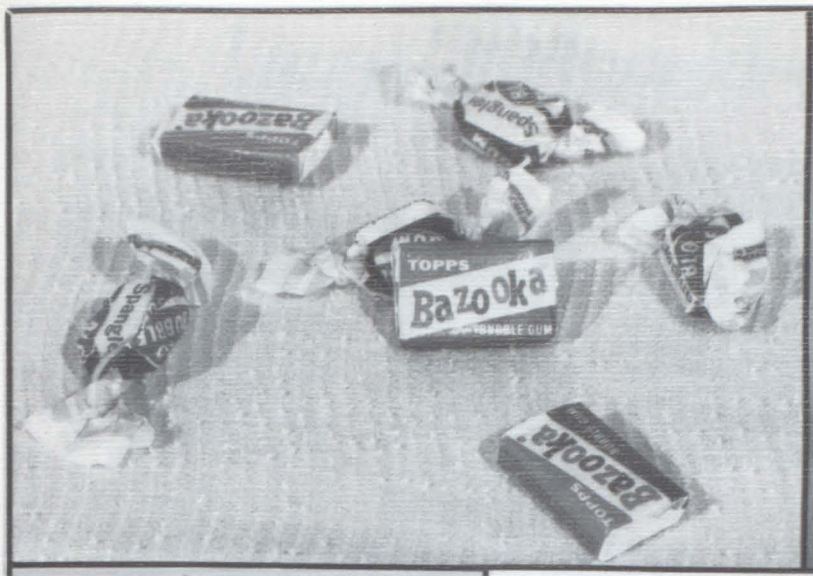

Thanks go to the advisors for the support they gave the Sophomore class throughout the year. They are Mr. Philp, Chief Advisor; Mrs. Bellow, Mrs. Burns, Mr. Hadden, Miss Heckman, Mr. Patterson, Mr. Pell, Mr. Skrzyniarz, and Mr. Venia.

The first basketball game started the Sophomore winter activities off with a dance after the game, and during the game, keeping track of the spectators' coats.

Sophomores ended a good year with the yearly class party in May.

STEERING COMMITTEE: Joan Carolan, Pat Burley, President Gary Hill Kim Zepp, Sue Collard. Julie Farnsworth, Carl Brywig.
